her. (If course the utterly natter young man of that place will mever ga back on Sam .- [Dan O'Sallivan. The aspiring young journalists who

write to their papers of the bills I introduced" are spending the winter at Frankfort .- [O'Sullivan. Material for the Christmas legeni of The Definer Small Boy, or Who Loaded the Tor Piscol," is bring con-

If you want vegetables in winter, get a pair of tight boots in the fall and you will soon have plenty of toemurtyrs .-- [Glasgow Times. New sugar and molasses are so

plenty along down the Mississippi plenty along them the Mississippi day, however, says that he saw Alice ricer they make the old river's month was playing with the reminister of the Atlanta with her combinations on the clearing, became fascinated with her chiblish dimenal, is careless as to how much We have received from the Atlanta

management an invitation to visit the Cotton Exposition there. How soon those lellows learn the names and olaces of residence of the wealthy and influential —[Bittoe. Will the coming man shut the

ilaar after him?" says un exchange. He will in this office or the going man will go ont of the window .- [Maylield Jim Coin was badly used up in a

fight last night. When a policeman went to arrest him he got off by pror- but, and he added that no one but ing by the writer that it was illegal to blusself and the son who married her tuke him, because lie was mutilated Coin .- [Dittoe. A man in Kansas has subscriber

for the Congressional Record, which publishes all the speeches made in Congress. The average Kansan, it should be explained, is the longliest eitizen known to the Republic .--

A country editor'n Christmas dio ner, if enten at home, consists of the bread of unpaid subscriptions, the most of delinquent advertising accounts, seasoned with the salt of past-due paper bills, and the whole washed down with the water of hel-

lorers were returning from chirch and as the side-walks were not in very good repair, and as they preferred bringing up the rear, their progress was rather slow. They thought theo-belyes unobserved, sare by the silent mean. But alust there happened to be an individual whose step was in the column of the colum quicker than their own, and he was urking boldind, when the following fell npon his ear "Why Mr .-dare yoube so presumptious. If you

Elegance and Purity.

Indice who appreciate clegance and purity are using Purker's Hair lineam. It is the best article sold tor restoring gray hair to its original color, beauty and lustre.

A Woman's Experience.

Mothers and Drughtors should feel alarmed when weariness constantly cently. Last spring a farmer of East oppressing them. "If I am freitn! Nottingham had thirty chickens from exhaustion ut vital nowers ami the color is tading from my face, Parker's Ginger Tonte, gives quick rellef. It builds me up nut drives pain with womierful certainty."— Buffalo lady.

Where He Came From.

One of our town girls picked up not new beau the other evening at church, and when they renched her futher's gate he accepted her invitation to go in. He was perfuned to kill, and it wasn't long before his musk renched her have been to him. "Jump upon my has been to him, which the old tolks have to him, "Jump upon my hand." Up immed Annie, "Nor the back room in which the old tolks set. The old man was heard sinbbing around, muttering and grawling and presently in opened the door and passed put and walked around for a lew minutes, and pounding on the partor door he inquired;
"Evangeline, where a the piece of

"I don't know, father; why?" she luquired in return. "There's a skunk or something or

other under the addition, and I've got te limit him out or we can't live here over night."

The young man didn't stay long after that.

[Parls True Kentucklan.]

[George Washington emidn't tell a lie when a boy, to save himself fram a whipping, but when he become a great again, "If you have me with a really and truly love, kiss me again." A shudder passed over the young man's frame, and he changed the subject of conversation. But the girl would not listen. "You must kise me," site said, "or you do not love me." Turning phasily pale in the dilm, half light of the turned down gas, he averted his head, and said in a low, choket voice: "I cannot kiss you," "Camnot!" shricked the girl in agony of gree, ell me truly, whith base come hetween as?" For an instant there was silence, and then George W. Simpsen said in low, bitter tones; every werd falling upon Juliet's wnitting ears with errible distinctiveness:

[Parls True Kentucklan.]

[Parls True Kentucklan.]

[George Washington emidn't tell a lie when a boy, to save himself fram a whipping, but when he because a great of the chiese flowers, and increased Cornadian as whipping, but when he because a great of covering postage pale, Tills have a great the told a lie that caused Cornadian as whipping, but when he because a great of covering postage pale, Tills have a great the cold a lie that caused Cornadian as whipping, but when he because a great of covering postage pale, Tills have a great frame. The propagation has been up years and early pale of conversation. He was moving on towards New Jersey, and couldn't tell a lie when a boy, to save himself fram a whipping, but when he because dornadian as the propagation. A shudder passed over the young man's at the subject of the state of the chiese. He was moving on towards New Jersey, not couldn't. The propagation is the well as the was moving on towards New Jersey, not comilar. The propagation is the well as the was moving on towards New Jersey, not comilarly to the cause of the chiese and propagation of the chiese and pro ing errs with terrible distinctiveness:
